

## **Cornwallis Mackenzie Business Development Inc. expands into the United States of America**

*By Cornwallis Mackenzie Business Development Inc.*

*Dated: Nov 17, 2008*

*Cornwallis Mackenzie Business Development Inc. announces today the expansion of services to the United States of America with the introduction of a new team member.*

Mr. Langan, CEO of Cornwallis Mackenzie Business Development Inc. ("Cornwallis Mackenzie") of Halifax, Nova Scotia announces today that the company has attracted Mr. P O'Leary as our new business development associate and the expansion of services into the United States of America.

Mr. O'Leary said on Friday (Nov. 14th, 2008) "I'm happy to be joining the Cornwallis Mackenzie team and helping US based companies expand into Canada and the United Kingdom".

Businesses interested in discussing opportunities to enter Canada and the United Kingdom should contact the head office in Halifax via phone, email or post.

"Cornwallis Mackenzie are excited to be providing our high quality of services to US businesses and welcome their enquires" said Mr. Langan - CEO on Friday. To find out more about how Cornwallis Mackenzie can help your business please refer to our website [www.Cornwallis-Mackenzie.com](http://www.Cornwallis-Mackenzie.com) and contact our office.

### About Mr. O'Leary

Mr. O'Leary was educated in the United Kingdom attending Grammar School and the Open University where he attained a diploma. In 2006 he relocated to the United States where he is both a consultant for Cornwallis Mackenzie and a licensed mortgage broker and loan processor for an brokerage company which specialised in mortgages for international clients. Mr. O'Leary was very active in Conservative politics before immigrating to the USA. Additionally Paul has web and real estate technology consulting experience as well as becoming a Notary Public in 2008. Outside of Politics and Business his interests lie in the following areas;

In 2005 was made a Member of the Royal Institution, the oldest science research facility in the world as well as being elected Associate of the prestigious Linnean Society of London, the oldest biological society in the world.

### About Cornwallis Mackenzie

Cornwallis MacKenzie Business Development Inc. is a privately held, federally incorporated company, registered in Nova Scotia carrying out an array of business development and project operation services to a wide range of SME's. The company has been trading since June 6th 2005 and has aided start-ups and emerging businesses in a wide range of sectors including: information & communication technologies (ICT); transportation; wireless communications and passive investment structures. We are dedicated to providing business formation, development, expansion and opportunity location services to companies operating in Atlantic Canada and the United Kingdom.

By being fluent in British, European and North American business practice Cornwallis Mackenzie is ideally placed to assist those in transatlantic finance and even those who are looking to expand from one continent to the next.

Our dedicated management team and partners have a range of business services ranging from business/marketing plan generation to operational structuring and internal seed funding to coordinating

complex funding from the full range of public grants and matched funding. Cornwallis MacKenzie is a non-sector specific company which enables us to bring our strengths to bare on many business sectors.

Cornwallis MacKenzie offers our services to existing businesses with proven products and services as well as new start-ups with the potential to expand their sphere of operations both within North America and internationally to the UK who also have the management commitment and financial capability to realize expansion plans. We work as a corporate extension of each clients senior management team to access extended national and / or foreign markets and investment opportunities, to leverage their core business activities and to set the stage for their expansion.

Cornwallis MacKenzie's experience includes attracting seed capital directly from ourselves or through third parties; locating and utilizing government grants and matched funding and financing from financial institutions to ensure the successful implementation of development plans both at home and abroad.

We bring together experience ranging from business management (C-Level); independent and operational directorship experience as well as a range of sector specific experience to bare on clients operations.
